about waves village

Waves Village has been in the making since 2003 and a dream long before that. It has been planned with over 18,000 sq ft of retail, a 3342 sq ft restaurant that has the best view of any restaurant on the Outer Banks and 18 condo units for people to rent for a week or a few days to indulge in their favorite sports or just totally relax.

Waves Village is the premier kiteboarding resort in North America!

At Waves Village part of the family can relax at the fieldstone pool overlooking the sound, shop or enjoy the view from the restaurant while the rest of the family kiteboards, paddle boards or kayaks.

Waves Village is designed around access to Pamlico Sound the premier kiteboarding area on the Outer Banks. There is ample setup space, pros on site to assist you, Kitty Hawk Kites Kiteboarding School and center. A rental/demo center where you can rent kiteboarding equipment or try out a wide selection of gear before you buy. The kiteboarding resort also offers warm water showers, air pumps for easy set up, and the most friendly people you will find on the Outer Banks.
